## **FNHES Webinar: Building a Business Case for Energy Efficiency**

August 28, 2020 12:00 PM PDT

Join webinar to learn about building a business case for energy efficient housing and communicating the return on investment to First Nations communities and leadership.

Hear from Chief Patrick Michell at Kanaka Bar Indian Band, Areef Abraham founder and CEO at Community Power, and Rick Sabiston Principal Consultant at 3E Consulting to hear about their experiences building support for energy efficiency projects.

### **Register Here**

After registering, you will receive a confirmation email containing information about joining the webinar.

### **Vision**

Empower First Nations communities in B.C. to transition towards energy efficient housing.

### **Mission**

Support peer learning and share success stories among First Nations communities to reduce home energy use and build local capacity.

### **Thanks to our funders:**

Real Estate Foundation of BC

BC Ministry of Energy, Mines and Petroleum Resources

BC Hydro

FortisBC

Fraser Basin Council
