

1. Ongoing engagement with Nicola Band communities (technicians, leadership) to make progress on **Information Sharing Agreements**
  - Once those are in place, we can advance a **Data and Information Sharing Agreement** between the Province and the Bands
  - Updating **Interim Guidance** in the absence of finished agreements
2. Scoping for an **RFP for a Data Portal for the NWGP**
  - Speaking with North Coast ESI and Columbia Basin Trust about their data portals
  - Grappling with questions about data portal governance
3. Developing learning session on Nicola Band **community knowledge protocols** (forthcoming)

# NWGP Data and Information Sharing Project
